**F E B C**

**Official Language:** Khmer

**Population Estimate:** 15 million

**Religion:** Buddhist 83%,

Christian 3%, Muslim 2%

## ***CAMBODIA QUICK FAXX***

- More than 50% of the population is under 22 years old.
- The average annual income is about \$306.
- The average adult has only had 3 ½ years of schooling.
- Tarantula kebabs are a popular food item!

## ***PRAY WITH US THAT:***

- 1) Kids find Jesus and begin to take leadership positions in the church.
- 2) Moms and dads experience healing-- that they would be able to raise healthy families despite so many of them growing up as orphans.
- 3) God gives kids a future filled with hope and possibility.  
(Poverty forces more than 1.5 million kids to give up school for work).
