- Russian Orthodox is considered the main religion, but only 1 % of the population know Christ and follow the Bible.

### ***PRAY WITH US THAT:***

- 1) Despite the popularity of Atheism, kids in Russia will find Jesus and choose to follow Him.
- 2) Kids who are Christians will rise to positions of leadership and be the generation that leads their countrymen back to God.
- 3) Gospel broadcasters find favor in their communities and that the hearts of people listening to their programs would be open to the Gospel.
